<b>Comments (use the back of the page if needed):</b>					
<b>Your recommendations for improvement (use the back of the page if needed):</b>					

(\*) These scores will have no effect on your final course grade. After your presentation, please prepare a summary report for the feedback you received from the audience (including average scores in each category) and write a report to describe how you would improve your presentation (max 1 page). Mail your summary report to me at canf@cs.bilkent.edu.tr.
