CS533
Assignment No. 4
May 9, 2008
Due Date: May 12, Monday, 17:00

This assignment is again on reader-oriented summarization for Turkish.

Please go to the ROSS Web site and choose five news articles summarized by another annotator and do the summarization (sentence extraction) for them.

During summarization please pay attention to the keywords chosen by the annotator who has done the first summarization for that particular news article.
